Team notes — do not print this section

1. **Fill the contact details before printing.** A consent form with no contact address is not valid consent.

2. **Two copies.** Give one to the participant. Keep one.
3. **Tick boxes matter.** If the person does not tick the video box, do not record them. If they do not tick the publication box, do not put their face on Instagram.
4. **Photograph the signed form** immediately after the interview, and store it with the interview notes.
5. **The default is private.** If a box is not ticked, assume "no".
